STOP the Overpopulation of Pets is dedicated to saving lives by preventing births of unwanted dogs and cats in Alaska. We will pay \$20-\$40 (depending on sex and species of animal) for spay/neuter requests; you will make your own appointment at the participating veterinarian. After we receive this form and an SASE, we will send you a voucher that will cover \$20-\$40 of the spay/neuter costs for each pet. You will need to bring your voucher with you to the vet the morning of the appointment. The veterinarian must bill us directly for the amount on the voucher to be reimbursed; we cannot reimburse pet owners. All vouchers must be used within 60 days from issue date. Wait until you receive your voucher to make your veterinary appointment. Thank you, and congratulations for making the right choice in getting your pet spayed or neutered.

IF YOU DO NOT NEED FUNDING ASSISTANCE, CALL YOUR VETERINARIAN OR THE SPCA (907-562-2999) DIRECTLY TO MAKE AN APPOINTMENT. .Note: Currently, we do not have any participating vets in Anchorage; however, the SPCA has a low-cost spay clinic, and Friends of Pets issues vouchers for Anchorage residents only. See links to them on our site: www.alaskastop.org.
